Defense Information Systems Agency

A Combat Support Agency

DISA Forecast to Industry 2009

Test & Evaluation Management Center (TEMC)

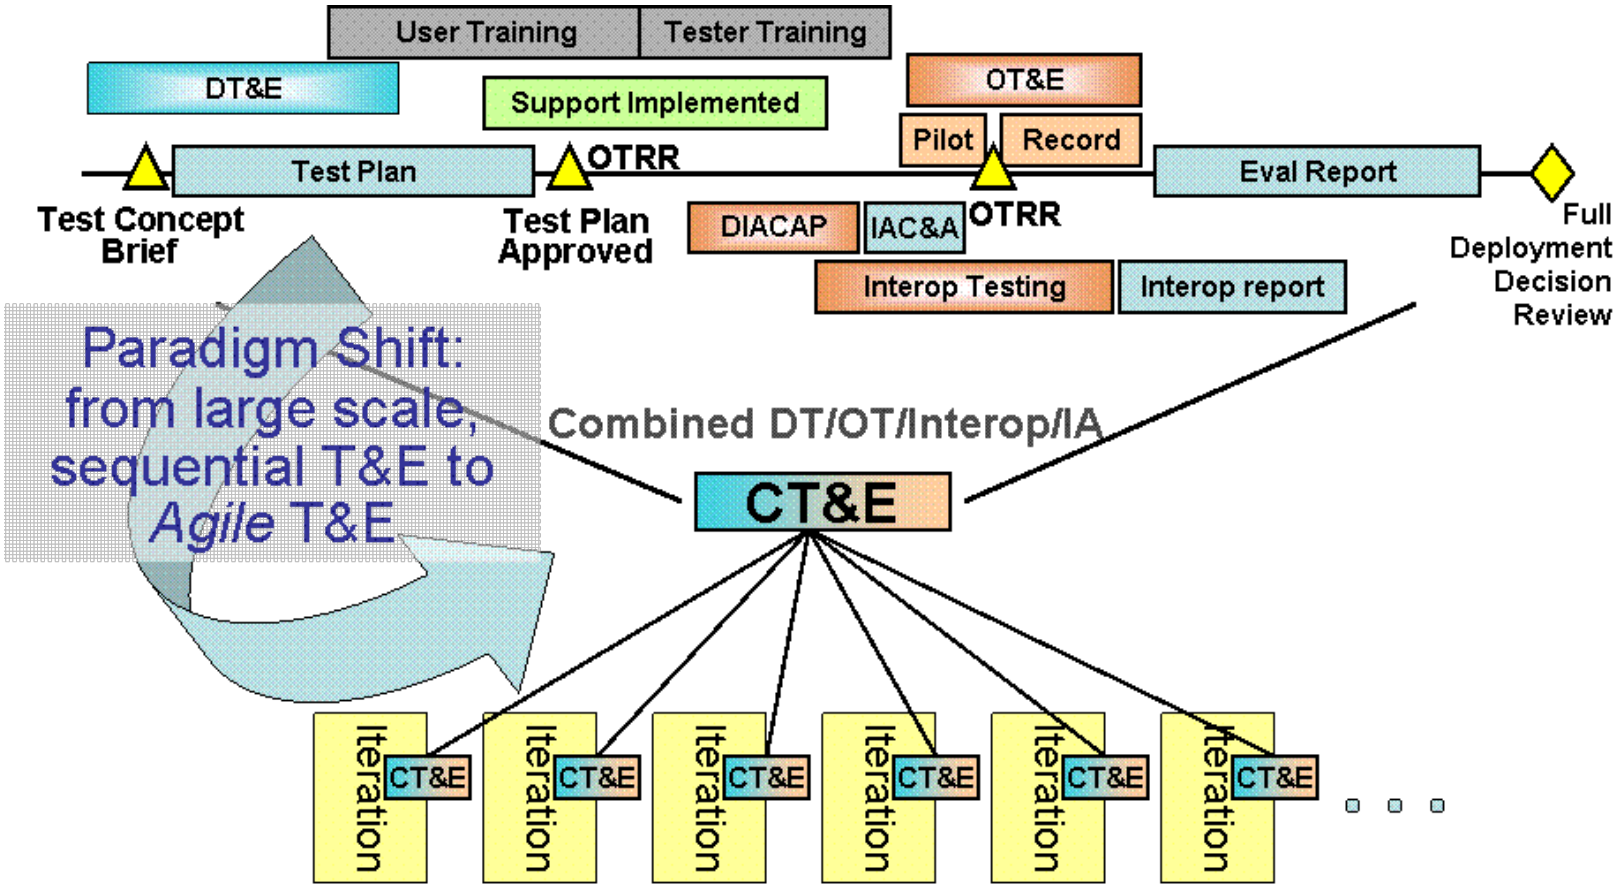
Dr. Steven J. Hutchison
Test and Evaluation Executive

7 August 2009

What is TEMC?

- Test & Evaluation (T&E) oversight
- State-of-the-art information technology test facility
- Strategic initiatives
- Interface with DoD, Industry, Academia

Capability T&E



- Focus T&E on the prioritized requirements of each iteration
- Treat all T&E as a shared resource (eliminate DT, OT, Iop, IA stovepipes)
  - one team, one time, one set of conditions, one report
- Field Deployable capability…start small; scale rapidly
